## WELCOME

It is my great pleasure to welcome you to Hellerup Classical Ballet School. The School is now in its 16<sup>th</sup> season - time passes quickly when in good company!

For any new students I would like to introduce myself:

My name is Sanne Stahnke and I am a trained ballet dancer out of The Royal Danish Theatre and School of American Ballet.

My career has mainly been abroad among others, with the Dutch National Ballet in the Netherlands and on Städtische Bühnen in Frankfurt, Germany.

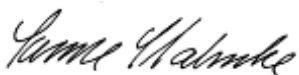

I have been a solo dancer in Theater und Philharmonie in Essen, Germany and in Malmö Stadsteater, Sweden. For the last couple of years of my ballet-career I have worked at the Pantomime Theatre in Tivoli.

Alongside my dancing career I have been teaching ballet at all levels.

As we all know classical ballet is a lovely art form, for both amateurs and professionals. It is my intention to give everybody the possibility to train seriously, regardless of their level of ambition.

I am looking forward to August the 10<sup>th</sup> when yet another exciting season begins, with a lot of sweet and inspiring students.

Thank you,  
Sanne Stahnke

### Events during the Season:
